

Graham Smith

Graham is a Director. He excels at leading culture change within companies, coaching leadership teams and the implementation of strategy at pace.

Graham combines over 12 years' practical experience of leadership in challenging situations, human resource management, training and theoretical knowledge gained taking an MBA at Warwick Business School and the leading Spanish Business School ESADE in Barcelona. A skilled team facilitator, he works from Board level to middle management.

Graham is a pragmatist who is renowned for his ability to help clients find practical solutions to their issues. He is direct in his approach and believes in exercising flexibility in the delivery of solutions.

After all winning is what matters!
